Date: 19 February, 2004

On behalf of the Ministry of Health of the Transitional Islamic State of Afghanistan, I would like to express my appreciation and thanks to the French people and Government for their assistance given to the poor people of Afghanistan and playing an important role in the rehabilitation of health systems in Afghanistan.

It is worth mentioning that Dr. Frederic Tissot, French Embassy Health Advisor had great contribution and cooperation with the ministry of health as a member of Consultative Group for Health and Nutrition and Hospital Management Task Force during past several months.

I am appreciative and grateful for his indefatigable services that he has fulfilled for the destitute and anguished people of Afghanistan and for achieving humanitarian goal of Afghanistan.

I extend my heartfelt gratitude and appreciation to Dr. Tissot and expect his continuous assistance and cooperation in the future as well.

Wish you best of luck and success in your career.

Sincerely Yours,

**Dr. Ferozuddin Feroz
Technical Deputy Minister of Health
Kabul, Afghanistan**
